**SHATTERED DREAMS TO BE HELD APRIL 9<sup>th</sup> and 10<sup>th</sup>**

**FRISCO, TX** – The Frisco Police Department, in conjunction with the Frisco Fire Department and Frisco Independent School District, will be hosting its 13<sup>th</sup> annual Shattered Dreams program in April. This year, we will be hosting two events.

The first event will be held at Centennial High school on April 9<sup>th</sup> and 10<sup>th</sup>. The second will be held at Wakeland High School on April 30<sup>th</sup> and May 1<sup>st</sup>. Each program will begin on each Thursday at 11:00 am and run through each Friday morning.

Shattered Dreams is a two-day program designed to educate students about the dangers of underage drinking and the severe consequences that can result from impaired driving. A Citizen Advisory Committee that oversees Frisco's Photo Enforcement program voted to use Red Light fines to fund both of these presentations. The program is coordinated by the police department's School Resource Officer Unit and rotates through different high schools each year.

As part of the Shattered Dreams experience, a motor vehicle crash reenactment will take place in front of each school that includes an actual response from police, fire, CareFlite and other emergency responders, weather permitting. Due to the reenactment on April 9<sup>th</sup>, Rolater Rd will be closed from Coit to Whittingham. During the event on April 30<sup>th</sup>, Legacy will be closed in front of Wakeland High school, between Andrew and Avon streets.

The road closures will last from approximately 9:30 a.m. to 12:30 p.m. during each event. Motorists are urged to find an alternate route during these times.

For more information about Shattered Dreams, please email [SROSupervisor@friscotexas.gov](mailto:SROSupervisor@friscotexas.gov).
